Hi Peter and Sue,

I am writing to you on behalf of the Organising Committee for ICE4pd to request your assistance.

This residential course is planned for 8-12<sup>th</sup> March 2015 in Pattaya, Thailand. As one of aims is to attract dentists or paediatric dentists from all over the world, we would request that you consider sending the attached documents to your members to promote the Masterclass.

This is the first Masterclass in Paediatric Dentistry, a 4 day course, designed specifically for postgraduate students and newly qualified paediatric dentists. This is a unique opportunity to be mentored by some of the most dynamic international teachers in paediatric dentistry today.

The Masterclass is limited to 100 participants only. The seven presenters are internationally recognised and represent some of the most dynamic lecturers in Paediatric Dentistry today. The program will cover modules with interactive group sessions limited to 20 participants and will involve seminars, lectures, clinical workshops and journal clubs. Each participant will be expected to present a case or a research abstract. Part of the program will focus on case presentation and research methodology and critical appraisal.

For more information, please go the website on [www.ice4pd.com](http://www.ice4pd.com) or contact me directly.

Thanks you in advance for your help with this.

Best Wishes,

Rebecca
